

It's A Matter Of Respect!

From Coos Bay to Longview, Salem, Portland, Corvallis, Albany and to The Dalles, UFCW Local 555 members are joining together to settle a fair contract.

A fair contract means...

- Living Wages
 - o CCK/Grocery work = CCK/Grocery pay, no matter your title.
 - o Equitable wage scales – Same company, same work, same pay, no matter your town.
 - o Wage increase no matter your class.
- Secure Retirement
- Affordable Healthcare
 - o All members on the Portland Health & Welfare plan no matter your hometown.
- RESPECT
 - o Wages, healthcare, & retirement are a sign of respect.
 - o Negotiating a fair contract is a sign of respect.
 - o Our employer gets the same respect they give us.

FRED MEYER NON-FOOD UNITED BARGAINING COMMITTEE

"I'm on the Non Food Bargaining team for Fred Meyer. I'm disappointed with Fred Meyer's actions at the bargaining table. Telling us our theft of pens is causing them to lose money is ridiculous. Daily we are looking for pens so we can take care of our customers. We need Fred Meyer management to get serious and settle a contract that guarantees a living wage."

~Tracy Mellin • Freight Clerk - South Salem

"We've been in contract negotiations for nearly 3 years. I'm proud of all of the Non-Food UFCW 555 members for coming together and fighting for what we deserve from Fred Meyer. Now is the time to stand strong and united to get our fair share."

~Terry Honn • HOM Receiver - The Dalles

"It's time Fred Meyer respects OUR hard work and keeps OUR customers coming back. We deserve a fair contract with affordable healthcare and a living wage. We need to come together as a community to protect our jobs and tell Fred Meyer to do the right thing and settle our contract now."

~Amber Whitney • Apparel - Coos Bay

We have a dedicated Bargaining, Contract Action, and Community Team if you want to be part of encouraging management to come to the table and settle a contract, call us at 1-800-452-UFCW.

"Fred Meyer management wants to keep Non-Food members divided. We are all going to the bargaining table on common issues that affect us all. Management needs to come to the table and do the right thing settling our contract."

~Heather Appleberry • Apparel - Beaverton

"We don't make enough money to pay for our Health & Welfare benefits. Fred Meyer needs to understand that we are not second class citizens and we deserve a living wage with affordable healthcare and secure retirement. Management needs to stop their stalling tactics; come to the table and be reasonable. WE are one union and our employer needs to treat us ALL with respect."
